

## **IT `S TIME**

*(by Eva Henneken)*

Intro (instrumental)

Spoken part:

haematoma left neck

haematoma right shoulder

large haematoma left abdomen

large haematoma right thigh

Song (main part):

Verse

Why does she always keep smiling?

Why does she still look so neat?

Why does she pretend to be happy?

Despite all weight in her bag- and endures

Chorus

My dear it's time to speak

I feel it's time to stand up

I know it's your time

I feel it's your time

Verse

Why does she hide all her bruises?

Why does she always keep still?

Why does she crouch in silence?

Despite her beauty and her strength- and endures?

Chorus

My dear it's time to speak

I feel it's time to stand up

I know it's your time

I feel it's your time

Instrumental

Verse

Why does she think she loves him?

Why does she think it's all her fault?

Why does she defend his back?

Despite hits and commands- and endures

Chorus

My dear it's time to speak

I feel it's time to stand up  
I know it's your time  
I feel it's your time

I know it's your time  
I feel it's your time
